Professional Experience:

Rehabilitation Providers, Inc., Glen Mills, PA (President/owner, January 1990 to present). Physical rehabilitation business that has provided physical, occupational and speech therapy services to a variety of locations including outpatient physical therapy offices, home health care agencies, hospitals, skilled nursing facilities and pediatric early intervention organizations.

Physical Rehabilitation Network, Inc., Doyleston, PA. (Vice President/partner, January 1990 to January 1995). Provider of physical therapy through owned outpatient facilities as well as by contract to hospital, skilled nursing and home care organizations.

** Laurel Highlands Health Center, Inc., Latrobe, PA. (Administrator and physical therapist, September 1987 to January 1990). Assisted the President in day to day operations of several outpatient facilities. Duties included the development and planning of new outpatient facilities, interacting with physician referral sources and negotiating the development of new business ventures with potential partner organizations.

** Rehab Services of the Virgin Islands, St. Thomas, U.S. Virgin Islands. (Physical Therapist and Director. May 1986 to September 1987). Managed and provided patient care in an outpatient physical therapy center adjacent to the Governor Roy Scheider Hospital. Duties included interacting and negotiating with government agencies in the provision of services for their clients.

** Keystone Rehabilitation Systems, Inc., Indiana, PA. (Physical Therapist June 1984 – May 1986). Assistant Director of contracted community hospital rehabilitation department with both administrative and direct patient care responsibilities. The company is a large provider of rehab services through owned facilities as well as by contract to numerous organizations and my duties also included providing direct patient care at outpatient centers, skilled nursing facilities and other hospital locations as needed.

** (While it is no longer the case, please note that Laurel Highlands Health Center, Rehab Services of the Virgin Islands and Keystone Rehabilitation Systems were all under common ownership at one time).

Continuing Education: Clinically related classes have included primarily those related to adult orthopedic physical therapy and pediatric early intervention. Law/management courses with primary emphasis on health care law, elder law, ethics, business, non-profit organization and real estate issues.
